Bentley Structural Software – “STAADpro Building Solutions”

Audience listening to the presentation

A four hour workshop on STAADpro, Plan Win & STADD foundation was held on 09/10/2014 at Hotel Delmon, Panaji Goa.

Speakers Mrs.Vadalkar, Mr. H. Vadalkar & Mr. Akshit Dhawan stressed on the use & benefits of the above Softwares to Consulting Civil Engineers. Topic was **Bentley Structural Software – “STAADpro Building Solutions”**. workshop was organized to share the knowledge of software among practicing structural Engineers in Goa.

Civil engineers, College Professors, Project Management Consultants numbering 54 in number participated.

By using the above softwares how a practicing civil structural consultant can reduce his overall work in design, detail & drawing was neatly explained. The support as given Bentley was thoroughly explained in this workshop.

Er. Yogesh Bhohe proposed the vote of thanks.
