Brief Report:.

A Talk on “ Viability of Solar Energy”

As part of a series of programmes on sustainable living, a talk on “Viability of Solar Energy” was organized at International Centre Goa, Dona Paula on 6th February 2016 from 05.30 pm to 07.30 pm. The talk was delivered by Mr. Yogesh Naik- Partner Greenfield Technologies Panaji. Mr. Yogesh Naik

has been in the business of solar energy for more than 15 years and has been carrying out projects in solar thermal as well as solar photovoltaic in and around Goa. In spite of the fact that it being a Carnival day at Panaji, the talk was well attended by over 65 participants and was well appreciated. The event was convened by Engg. Balkrishna M. Chodankar MIE.
