

One day workshop on  
**"Industrial Motors and Drives"**

The workshop was inaugurated by **Mr. Gerard D'Mello**, Chairman, IEI, Consultant & Retired Chief Manager – Projects, Zuari Industries Ltd. **Fr. Kinley D'Cruz**, Director, **Mr. Hillary D'Souza**, Educationist, **Dr. Jay Bhatnagar**, Principal and **Prof Ajit Salunke**, HOD-Mechanical Department. (Dr. Jay Bhatnagar Demonstrating to the students)

A one day workshop on "**Industrial motors and drives**" was organised at Don Bosco College of Engineering on **27th February 2016** by the Mechanical Engineering Department in association with **Institution of Engineers (India) Goa State Center** and **Shri Shanta Pumps**. Professionals from **Cadilla, Titan, Finolex, Duraline, IMS, ISBT** and students of **Don Bosco College of Engineering** were privileged to gain knowledge of fundamentals of motors, energy issues, maintenance & repairs of motors and industrial drives from Industry experts.

The workshop was inaugurated by **Mr. Gerard D'Mello**, *Chairman, IEI Goa State Center, Consultant & Retired Chief Manager – Projects, Zuari Industries Ltd.* **Fr. Kinley D'Cruz**, *Director*, **Mr. Hillary D'Souza**, *Educationist*, **Dr. Jay Bhatnagar**, *Principal* and **Prof Ajit Salunke**, *HOD-Mechanical Department* were also present. **Mr. Gerard D'Mello** complimented the mechanical department and the college for the industry inter-action initiatives, and briefed the audience about The Institution of Engineers (India). **Fr. Kinley D' Cruz** recalled Late **Dr. Abdul Kalam's** words "Yesterday natural resources defined power but today, knowledge is power; yesterday hierarchy was the model, but today synergy is the mandate; yesterday leaders commanded and controlled, but today leaders empower and coach; yesterday shareholders came first, but today the customers come first; yesterday employees took orders, but today teams make decisions; yesterday seniority signified status, and today creativity drives status; yesterday production determined availability, and today competitiveness is the key".

**Dr. Jay Bhatnagar** recalled his interaction with a Professor from IIT Bombay, and said the workshop will provide a crash course on fundamentals of motors. **Mr. Hillary D'Souza** said that at DBCE, students are made to learn beyond the textbooks. He added that every day is a learning day and urged students not to forget the basics, narrating a story to emphasize the same. **Prof Ajit Salunke** gave an introduction to the course and briefed about the various industry interaction programs organised by the department. **Prof Sharad Shanbhag** proposed the vote of thanks. **Akash Yadav** compered the event.

The resource persons were **Mr. Gerard D'Mello**, **Mr. Sasindran Nair**, *CEO - Marine Electrical Agencies, Zuarinagar, Goa*, **Mr. Joviano De Souza**, *Retired Chief Manager – Electrical, Zuari Industries Ltd.*, **Mr. Abhay Keni**, *Owner, Shri Shanta Pumps* and **Mr. Sandeep Mone**, *Owner, Autotech, Mapusa*.

At the valedictory function certificates were distributed by **Mr. Prashant Naik**, Manager, *Continual Improvement Projects & Engineering Services*, **Mr. Sandeep Mone**, **Prof. Suraj Marathe** and **Prof. Ajit Salunke**. **Mr. Prashant Naik** complimented the Mechanical Department for organizing the workshop successfully
